

## Pigfest Pop-up Market September 6, 2025

If you'd like to sell at our Pop-Up Market, please fill out and mail in your \$20 donation. The Pigfest Pop-up Market will be held from 11 a.m. to 3 p.m. on Saturday. We request that all vendors (including campers) contribute a \$20 donation for a 10x10 spot to the Care & Share Food Bank of Marquette County. Please make checks payable to the Care & Share Food Bank of Marquette County and send them to PO Box 821, Montello, WI 53949.

Every vendor, whether selling crafts or meat, will be included on a map distributed to the public. Don't worry; we'll make sure customers can find you, no matter where you are in the park!

If you are camping with us, you can sell either at your site or at an assigned spot in the rec field.

If you are vending only, we will assign you a spot in the rec field. Please bring your own tables, chairs, and tent for your booth.

If you are accepted into this event, you will receive a confirmation letter by mail. Please feel free to reach out if you have any questions.
